YES RENTAL – General terms and conditions for hire

1. Glossary : For the purposes of these terms, is designated by : the first person plural : YES RENTAL SPRL - Our co-contractor : a person who enters with YES RENTAL SPRL.

2. Acceptance of Terms : Our terms and conditions are strictly applied ; our co-contractor cannot unilaterally change them and may only be waived by special terms, expressly agreed between the parties. The terms and conditions of our co-contractor will never be enforceable, even if they appear on the back of the letter accepting our offer. By the mere fact that he deals with us, our co-contractor accepts our conditions and renounces to his own, even if they contain a similar clause.

3. Offer without commitment on our part : Our offers and price lists are purely indicative. They can be retracted or modified at any time. Our contracts will be formed after we received a written order, binding irrevocably our co-contractor, followed by acceptance of the order by us.

4. Termination of Contract : Our co-contractor shall be entitled to terminate the contract unilaterally by the payment of compensation equal to 30 % of the agreed price for the relevant lease. Termination can take place before the delivery of equipment, by registered letter ; the date of first presentation will prevail. In case termination would take place less than a week before the scheduled date for the beginning of the rent, the compensation will be increased to 50 % of the agreed price.

5. Transport : The transport is performed at the expense of our co-contractor. The material is transported at the risk of our co-contractor, who shall ensure that, during the delivery, the contents of the packages are checked in the presence of the deliveryman and will report any problems or comments whatsoever about the material delivered. In case of problems or comments, it is advisable to make specific reference to the transport receipt and in any case, let us know as soon as possible by registered letter.

6. Rental terms : The material is accompanied by a delivery note stating the date of removal and the date of return that have been agreed on the purchase order. The rental period is calculated per day of 24 hours and this, the day of departure on the day of return of the equipment in our facilities. The return date is imperative. Each day of delay is due entirety.

The return of the equipment is made at the expense of our co-contractor, on the date and time provided in the contract documents. Any extension must be notified 24 hours in advance and cannot be done without our consent. If the material isn't returned on time and that the delay prevented us from renting to another customer, we reserve the right to claim the amount of our damage to our co-contractor.

7. No assignment of the rent or subrent : The assignment of a rent or subrent of our material is expressly prohibited.

8. Payment : In the absence of another deadline expressly provided, our invoices are payable 15 days from the date of shipment, without discount or at our headquarters in La Rue de la Paix 24/26 - 7500 Tournai - Belgium, or on the account number IBAN: BE38068894548272 BIC: GKCBEBB. We reserve the right to require a deposit of 50 % payable on the date of the order and on account of the bill. In case of late payment of a single invoice by our co-contractor, for any reason, all our claims, including not yet matured, become without notice, due immediately. We will also have the right to suspend all services to regularize the situation, or to sue for rescission of the contract to the wrongs of our co-contractor and to claim the payment of damages. In any case, we reserve the right to act in termination of the contract and damages after suspending all services. Any delay in payment of our invoices will automatically lead , without notice or further warning, to a default interest of 1,25 % per month started, this interest will be payable from the date of the payment deadline, it stays due even if our statements have do not mention it. Similarly, in case of non-payment of all our invoices when due, the amounts will be automatically and without notice 15 % of their principal amount with a minimum of 50 euros as a penalty clause under Article 1229 of the Civil Code.

9. Reciprocity : Our contracts and our general conditions are governed by the principles of reciprocity of contractual obligations. Unless otherwise specified herein, payments under this contract in our favour may be claimed by our co-contractor in case of non performance of our obligations.

10. Liability insurance : Our co-contractor is liable, upon the issuance of equipment, for any damage whatever the cause, especially in cases of force majeure or fortuitous event, without being able to exercise any remedy against us, unless damages duly recorded in a contradictory manner, and expressly included in delivery note signed between parties at the time of delivery. All costs of repair will be borne exclusively by this restoration to be effective in the fortnight following, without prejudice to the intangible losses incurred thereby by YES Rental. The rented equipment must be used for its intended purpose and our co-contractor must have related to the proper use of equipment expertise, he acknowledges this by signing the order. The co-contractor will be personally responsible for all insurance covers or responsibilities he deems necessary to purchase from insurers of their choice, but with abandon express use of subrogated insurers in favour of YES Rental. The co-contractor shall provide all the documents proving the insurance coverage at the first request of YES Rental.

11. Governing Law and Jurisdiction : Belgian law governs all our contracts. Any dispute regarding the existence, validity, interpretation or performance of our contracts will be the exclusive jurisdiction of the courts of the district of Tournai.
